## Opening hours of our office

The practice is open from Monday to Friday from 08:00 until 17:00 hour. The telephone of our practice is quite busy. Therefore please keep your calls as short as possible.

08.00 – 09.00 uur	Walk-in hours
10.00 – 12.00 uur	Office hours by appointment
12.00 – 12.30 uur	Consultation by phone
12.30 – 14.00 uur	Home visits
14.00 – 16.00 uur	Office hours by appointment

There is a **walk-in hour** and there are **office hours by appointment**.

The walk-in hour is meant for a single small ailments and for emergencies. For other issues we request you to make an appointment. Between 12:00 and 12:30 you can speak to one of the general practitioners by phone.

If you are not able to come to our practice, you can, preferably before 10:00 AM, discuss this with the assistant and request a **home visit** from the doctor.

Cancellation of an appointment must be made in a timely manner. We are entitled to charge a fee for appointments not cancelled 24 hours in advance.

## Prescriptions line

If you need a repeat prescription, then you can use the option 2 ; prescription line. We request you clearly to state your name, date of birth, phone number and pharmacy. For the prescription we need name, dosage, and quantity you want. Requested prescriptions before 13:00 PM can be picked up the next day after 15:00 PM at your pharmacy. Incomplete prescriptions will not be dealt with.

When you want to order a prescription by e-mail, you can do this by our "[uwzorgonline](#)"-application on our website.

## Assistants and practice nurses

Our assistants are available for different administrative procedures and are specifically trained in giving health promotional advise ( on common ailments such as diarrhea, cough, flu or fever ) as well as performing a variety of well-person screening ( bloodpressure, cervical smear test ) and monitoring some long-term medical conditions ( diabetes, COPD ).

The assistants are trained for these tasks and work under supervision of the general practitioner for these tasks and work under supervision of the general practitioners. Just like the general practitioners the assistants have to respect the rules of confidentiality.
